

Take Depositions Right From Your Home

To promote social distancing, conducting remote depositions can keep your cases on track. During the duration of this pandemic, Fortz Legal is offering complimentary videoconferencing services from the comfort and safety of your own home.

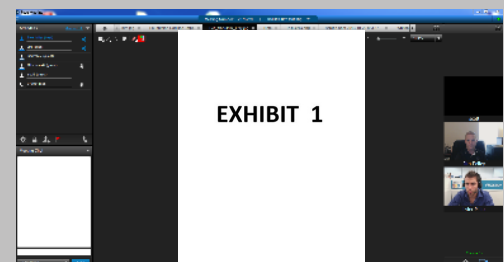

Tech setup and support

We provide remote tech setup and support before and during the deposition, so we're instantly available for anything that comes up. We also offer training sessions to ensure optimal use of the video conferencing system.

Share and mark up exhibits on-screen

Easily upload exhibits in real-time. Contains a host of useful display and markup tools, from laser pointers to highlighters and more. Let us give you a full tutorial on the expansive capabilities.
